

Dear Native Businesses:

The **National Center for American Indian Enterprise Development** is a non-profit organization that brings management consulting assistance to Indian Country. One of our primary functions is to forge business relationships between Native businesses and corporate America.

Harris Corporation is searching for **Native small businesses that have expertise in Land Mobile Radio with specific experience in installation on Native Lands**. Must be classified as a small business or SBA 8(a) certified. Veteran owned, service disabled veteran &/or minority status a plus.

For those of you not familiar Harris is an international communications and information technology company serving government and commercial markets worldwide. Headquartered in Melbourne, Florida, the company has approximately \$5 billion of annual revenue and 15,000 employees.

If you have interest in this opportunity please e-mail a PDF copy of your company's capability statement with past performance/qualifications to my attention. The interview process will commence mid July so timely response is of the essence. For further information on the National Center please visit www.ncaied.org

Sincerely,

Scott Gregory
